Writer

1. [1](#)

I write a weekly post for [Nobility Academy](#) spotlighting extraordinary things accomplished by ordinary lawyers. Out of the work on my unpublished novel [Unmasking Hour](#), I developed the materials for [Enemy in the Camp](#) which is a continuing legal education course as well as a mini-course for business. I write [periodic posts](#) on this site and I have also written various Guides.

Questions? [Email me](#) or call **205-912-8248**.
