1. <u>1</u>

I write a weekly post for <u>Nobility Academy</u> spotlighting extraordinary things accomplished by ordinary lawyers. Out of the work on my unpublished novel <u>Unmasking Hour</u>, I developed the materials for <u>Enemy in the Camp</u> which is a continuing legal education course as well as a minicourse for business. I write <u>periodic posts</u> on this site and I have also written various Guides.

Questions? Email me or call 205-912-8248.
